

SCHWEINFURTH MEMORIAL ART CENTER

YOUR COMMUNITY ART CENTER

The **Schweinfurth Memorial Art Center** is a multi-arts center that opened to the public in 1981 through a bequest given to the City of Auburn by Auburn-born architect Julius Schweinfurth.

Programs include an annual schedule of changing exhibits of fine arts, architecture and design. Annual exhibits include **Quilts=Art=Quilts**, a nationally recognized juried quilts exhibit, **Made in NY**, a juried exhibit of work by New York State artists, and **Both Ends of the Rainbow**, an exhibit of artwork by Cayuga County children and senior citizens.

The Art Center has an active schedule of educational programs for children and adults including **Art Camp** for kids during school vacations; **Making Movies**, a contemporary film & video series; **Celebrating Folk Arts in CNY**, a series of music & dance performances featuring traditional and refugee Folk Artists; **Quilting by the Lake**, an annual summer quilt conference held on the Onondaga Community College campus; **QBL2**, a spinoff of Quilting by the Lake that includes a series of 3-day fiber art workshops held at the Art Center and many other regularly scheduled programs.

The Art Center also hosts a variety of special programs throughout the year that include storytelling, music, lectures, artist talks and special events.
